About the Montana Arts Council

The Montana Arts Council is the agency of state government established to develop the creative potential of all Montanans, advance education, spur economic vibrancy, and revitalize communities through involvement in the arts. The Montana Arts Council is governed by 15 individuals appointed by the Governor. It is funded by state and federal government.

Program Description

Public Value Partnerships (PVP) provide operating support for the artistic and educational mission of Montana arts organizations. The program recognizes strong operations, stable management, ongoing engagement, and high-quality programming for the communities being served.

Public Value Partners expand their work by:

- Building **relationships** with audiences, funders, community and political leaders.
- Creating greater **relevance** and connection to what has value and meaning to the community.
- Demonstrating a strong **return on investment** that brings meaning, adds vitality, and becomes a catalyst for new ways of thinking, seeing and solving problems.

Application Deadline

The deadline is April 5, 2019 at 5:00 pm. Applications must be submitted online at www.art.mt.gov/application.

Review Criteria

Each application is scored against the following criteria:

1. Appropriate and sufficient governance, management, and staffing.
2. Activities engage and are responsive to the people and communities for whom they are intended.
3. Artistic programs and services align with the mission.

Award Amounts

Grants will range from \$2,000 to \$10,000 annually.

Grant amounts are determined by the application ranking based on the criteria and an average of the previous two years' cash expenses. MAC may place a funding priority on organizations that provide service to an exceptionally underserved population.

Recommendations for Applying

- Review the guidelines and contact MAC for any clarification.
- Determine eligibility and requirements; gather the supporting documents and information.
- Type narrative answers in a word processing document to paste into the application form. Narrative fields have a character count; punctuation and spacing are included.
- Only one document can be uploaded to an upload field. Combine multiple documents into one, a series of bios, for example, for upload.
- To maintain formatting after upload, convert word processing documents to pdf files. MAC does not recommend any particular software; Adobe and mycutepdf.com are examples of software for creating pdf's. If you are struggling, contact MAC staff (kburgoyne@mt.gov).
- Use a naming convention that identifies the applicant and the document, example: MAC_Board.pdf or MAC_StaffResumes.pdf.
- The 'Application Packet' button, on the right in the application, will show how the materials will appear to the reviewers. To keep a record, save this pdf, print it, or send it as an email attachment.
- During the final week before the deadline many applicants are requesting assistance. Request assistance early to ensure MAC staff will be able to respond before the deadline.
